

MA 1723: Calculus II
Course Syllabus
Summer II 2018

Section 52
M-F: 10:00 - 11:50 am
Swalm 115

Instructor: Dr. Matt McBride
Office: Allen 419
Office Phone: 325-7139
Office Hours: M-F: 12:00 – 1:00 pm or by appointment
Email Address: mmcbride@math.msstate.edu
Website: msm646.math.msstate.edu

Textbook: Stewart, James: *Calculus*, 8th Edition

Prerequisites: C or better in MA 1713

Objective: This course is a continuation of the calculus sequence. The topics include: integration, integration techniques, inverse functions and their derivatives and applications to integration.

Withdrawl Date: The last day to drop the course with a W is July 26th.

Student Honor Code: Mississippi State has an approved Honor Code that applies to all students. The code is as follows: “As a Mississippi State University student, I will conduct myself with honor and integrity at all times. I will not lie, cheat, or steal, nor will I accept the actions of those who do.” Upon accepting admission to Mississippi State University, a student immediately assumes a commitment to uphold the Honor Code, to accept responsibility for learning, and to follow the philosophy and rules of the Honor Code. Students will be required to state their commitment on examinations, research papers, and other academic work. Ignorance of the rules does not exclude any member of the MSU community from the requirements or the processes of the Honor Code. For additional information, please visit: <http://honorcode.msstate.edu/policy>

Students with disabilities: Mississippi State University is committed to providing reasonable accommodation for all students with disabilities. If you require special accommodation in this course you are requested to speak with the instructor as early in the semester as possible. Students with disabilities must be registered with the Office of Student Support Services prior to receiving accommodations in this course. For further information please see <http://www.sss.msstate.edu>.

Title IX: Mississippi State University is committed to complying with Title IX, a federal law that prohibits discrimination, including violence and harassment, based on sex. This means that MSU's educational programs and activities must be free from sex discrimination, sexual harassment, and other forms of sexual misconduct. If you or someone you know has experienced sex discrimination, sexual violence and/or harassment by any member of the university community, you are encouraged to report the conduct to MSU's Director of Title IX/EEO Programs at 325-8124 or by email to titleix@msstate.edu. Additional resources are available at <http://www.msstate.edu/web/security> or at <http://students.msstate.edu/sexualmisconduct/>.

Homework: As with any math course, homework is a vital component. One must practice newly learned facts, theorems, etc. through the assigned homework. Homework will be assigned daily, however it will not be collected. See the quizzes section below for more details on this. Even though the homework will not be collected it is expected to be completed, as this is necessary to excel in this course.

Quizzes: There will be in-class quizzes through out the semester, see the schedule for the exact dates. As mentioned above, homework will be assigned daily, but not collected. Instead the quizzes will come directly from the homework. Students who have completed the homework will be able to use it on the quiz, however no in-class notes or books will be allowed. This is an incentive to do the assigned homework, plus in order to master mathematics one needs to practice it, hence homework. This can never be stressed enough.

Exams: There will be two closed book, closed notes, and closed homework in-class exams. Students will have the whole class period to take the exams. See the schedule for the exact sections covered.

Final Exam: The final exam is **not** a comprehensive exam and will be held on **Tuesday, August 7th** in the usual class location from 8:00 – 11:00 am. This date can **not** be modified, so make sure one's calendar is free.

Make-up Policy: Make-up exams will be given **only** for reasons deemed acceptable by the instructor, and **only** with written documentation. Make-up exams must be taken within one week of the original date, and no make-ups may be taken after the final exam. Make-up exams are never easier than the original.

Calculator Policy: You may use any type of calculator that does not have graphing or calculus abilities, most non-graphing calculators fall into this category.

Grading Distribution:

Quizzes.....	25%
Exams.....	50%
Final Exam.....	25%
Total.....	100%

Grading Scale:

A:	100% - 90%
B:	89% - 80%
C:	79% - 70%
D:	69% - 60%
F:	59% and below

Summer II 2018 Tentative Schedule

Note: this may be modified and is left to the discretion of the instructor.

Date	Sections Covered/Quiz Dates	Homework Assigned
Mon, July 9	3.9,4.1,4.2	3.9: 1-11 odd, 33-41 odd 4.2: 17,27,28
Tue, July 10	4.3,4.4	4.3: 7-17 odd, 19-37 odd 4.4: 5-15 odd, 19-41 odd
Wed, July 11	4.5,5.1	4.5: 7-29 odd, 49,59,60,61 5.1: 13-27 odd
Thu, July 12	5.2,5.3	5.2: 1-17 odd 5.3: 3-19 odd
Fri, July 13	5.4,5.5 (Q1: over 3.9, 4.1-4.5)	5.4: 7-9 5.5: 1,2,13,24
Mon, July 16	6.1, Review for Exam 1	6.1: 23,25,27,41,42,45
Tue, July 17	Exam 1	Covering: 3.9,4.1-4.5,5.1-5.5
Wed, July 18	6.2,6.3	6.2: 25,29-49 odd, 83-93 odd 6.3: 49,51,59,64
Thu, July 19	6.4,6.6 (Q2: over 5.1-5.5)	6.4: 3-29 odd, 43-53 odd, 71-81 odd
Fri, July 20	6.6,6.7	6.6: 7,9,23-33 odd, 59-69 odd 6.7: 31-45 odd
Mon, July 23	6.8 (Q3: over 6.1-6.4)	6.8: 11-67 odd
Tue, July 24	7.1,7.2	7.1: 3-41 odd 7.2: 1-49 odd
Wed, July 25	7.3,7.4 (Q4: over 6.6-6.8)	7.3: 5-29 odd
Thu, July 26	7.4 Review for Exam 2	7.4: 7-51 odd
Fri, July 27	Exam 2	Covering: 6.1-6.8,7.1,7.2
Mon, July 30	7.5,7.8	7.5: 1-57 odd
Tue, July 31	7.8,8.1	7.8: 5-39 odd
Wed, Aug 1	8.1,8.2 (Q5: over 7.1-7.4)	8.1: 9-19 odd 8.2: 7-17 odd
Thu, Aug 2	Review for Final Exam	none
Tue, Aug 7	Final Exam	Covering: 7.3-7.5,7.8,8.1,8.2
